Casual Pant Workshop Sept 9th and 10th

Students will take a set of measurements and learn how to alter a casual pant pattern. The pattern will be tested in muslin. Kathryn will teach each student how to redesign their master pattern adapt the pattern for working in leather, plus adding cuffs, changing pocket styles and altering leg circumference. Students will complete a variety of samples including a fly front, welt pocket, tummy control panel and as added bonus learn how to shorten a zipper.

Creative T Shirt Seminar Sept 11th

Both Cecelia Podolak and Kathryn Brenne will host this full day session on Creative Designer T shirts. Students will be using Cecelia's T shirt pattern and come to this session with their T shirts cut and sewn together at shoulders. Pattern fit, adjustments and sewing with knits will be the topic of the morning. The afternoon will cover creative sewing and embellishing techniques. Instructions on altering neckline shape, calculating binding ratio, creative stitching, lettuce edging and other various embellishing ideas.

Casual Unstructured Jacket Sept 12th & 13th

Cecelia's pattern will be used to sew a partially lined casual jacket. As the designer of "Classic Patterns" and an expert on fitting and jacket construction, we are pleased to welcome Cecelia Podolak to Creative styling.
